

WebSite

The MediLab Hospital website features a clean, modern design with a purple header and footer. Key sections include:

- Home:** Displays a hero image of a medical team, a "We help people to get appointment in online" call-to-action, and a "Who We Are" section.
- Appointment:** A form for booking appointments with fields for First Name, Last Name, Email, Mobile Number, NIC, Date of Birth, Gender, Appointment Date, and Appointment Time.
- Sign Up:** A registration form for Patient, Doctor, or Admin roles, requiring First Name, Last Name, Email, Mobile Number, NIC, Date of Birth, Gender, Password, and Confirm Password.

system

The Admin Panel is designed for hospital management with a purple header and sidebar navigation. It includes:

- Dashboard:** Shows key metrics like Total Patient (20), Total Doctors (20), Total Ward (20), and Total Lab (20). It also displays recent patients and doctors.
- Staff Management:** Allows adding, updating, and deleting staff members by ID, First Name, Last Name, Role, Gender, Email, Mobile Number, Address, NIC, Date of Birth, and Password.
- Patient Management:** Manages patients by ID, First Name, Last Name, Email, Mobile Number, NIC, Date of Birth, Gender, and Address. Includes options to Add, Update, and Delete.
- Pharmacy Management:** Manages total customers (25), total medicines (25), and total manufacturers (25). It includes sections for Create Invoice, Supplier, Medicine, Purchases Reports, Sales Reports, and Stock Reports.
- Appointment Management:** Manages appointments by ID, First Name, Last Name, Email, Mobile Number, NIC, Date of Birth, Gender, Appointment Date, Appointment Time, Department Name, Doctor Name, and Address.
- Invoice Management:** Manages invoices by Patient Name, Doctor Name, Lab Name, Treatment, and Ward Number. It shows a total amount of 15000 and a "Generate Bill" button.
- Medicine Management:** Manages medicine by Medicine ID, Supplier Name, Expire Date, Manufacture Date, Unit Price, and QTY.
